

Details for camping at Fleming Lines

Location

Longmoor Woodland Fleming lines is Located between Liphook and Petersfield, the entrance is situated, on the Longmoor Road 200 meters pass, MBK Fisheries

[Longmoor Woodland, Longmoor Road, Greatham, Liss, Hampshire GU33 6AP](#)

Payment

The cost for camping is £7 for the night per head which will be collected by one of the staff, sometime during the evening, once everyone is settled. This is a separate from the Longmoor payment this is the rent we give directly to the Landowner for using his land. Can team leaders collect this and settle with directing staff on the evening pre drinks.

Timings

I will have the site open from 1400hrs 29th August. If you intend to arrive earlier please let us know and we will arrange a member of the Directing Staff to be available to meet you.

Toilet facilities

There is a porta loo on site; it is regularly cleaned, please respect others and keep it that way.

Rubbish

Any areas used must be left clear of all rubbish and no ground sign left, fires put out and the area checked for kit. Can you please take your rubbish with you to Longmoor Camp as there is Skips at that location and you will need to provide your own sturdy rubbish sacks with this in mind please.

Fires

Fire safety; please ensure all fires are fully out before leaving the site.

Food & Cooking

You can cook on site also there are several takeaways local to the area plus a MacDonald's about 5 miles away

Parking

Parking is available on site at Fleming lines but space is limited so please be considerate when positioning your vehicles.

Camping and briefing tents

We do have a 12x24 (2x12x12) Mod tents and a 24x18 which can be used as accommodation after briefings etc. The main briefing tent has OHP facilities available which you are welcome to use but you will need to bring along your own IT to make use of this as a laptop won't be provided.

Equipment

We only have a small number of camp beds etc. we don't reserve them, its first come first served basis and I recommend you bring a mosquito net along.

Feedback

Airborne Airsoft is always seeking to improve itself and your feedback is of paramount importance to us whether its good or bad comments.

Once the day is over please visit www.airborne-airsoft.co.uk/contact.php and leave your feedback on the contact form.

Regards

John
